WELCOME

Welcome to Farleigh Castle Vets MXdN 2010.

In 1989 on a hot sunny summer day Dave Thorpe, Eric Geboers and Jeff Leisk raced here at the final 500cc Grand prix that Farleigh would ever see. Now, 21 years later the HRC Dream team is once more reunited with not just Farleigh Castle, but there factory RC500 Hondas. Dave Thorpe our British hero, 3 x world 500cc champion and now team principle at Buildbase CCM, Eric Geboers "the kid" 5 x world champion and Belgian motocross legend now running Team TEKA SUKUKI WMX GP. Jeff Leisk "Leisky" world runner up 500cc GPs 1989, now Mr KTM in Australia, 3 giants of motocross we are honoured to have back at Farleigh.

When you mention the MXdN one mans name stands above all others.....Danny 'Magoo' Chandler. On 2 autumndays in 1982 Danny re-wrote the history books being the only rider ever to win all 4 motos of the trophee (250) and Des Nations (500). Today in memory of the sadly departed 'Magoo' we will honour him by presenting the 'Magoo' MXdN trophy to the winner of the team event.

Over this weekend we are all going to be part of a totally unique event that will see riders from across the world competing for individual and team honours.

I would like to personally thank Bill Douglas and builders merchants Buildbase for their help in running this event.

Dave, Chris and Jonny.
