WELCOME TO STAVERTON

A new season is with us and again, we the Cheltenham Motor Club, are happy to welcome you all to Staverton once more.

Writing these notes three or four weeks before the event actually takes place always seems strange, but judging from the number and quality of the entries already received, we only need fine weather and we shall see another good day's racing.

Today's programme follows our usual pattern, catering for as many different types of machine as possible, but we do hope that 1977 will see a revival of interest in the 125cc class. Until a few years ago, this used to be such a competitive class and provided exciting sport at club, national, and international levels. We are hoping that today we may see at least one of the latest 125cc racers from Honda.

Our 1977 season will differ from recent years in that there will be no October meeting. The next meeting at this circuit will be on Bank Holiday Monday, 6th June, and we shall hold our final 1977 meeting on Bank Holiday Monday, 29th August, which, as usual, will be our Trophy Meeting.

Finally, to all competitors, their families and mechanics, and to all spectators, thank you for your support, and we hope that we shall all have a good day's sport.

SEE YOU ALL AGAIN ON 6TH JUNE.
