

BOOTS AT THEIR BEST

More riders wear Alpine Star boots than any other — because Alpine Star are the best motorcycle boots. Riders like Mr Motocross Ray Vandenburg, Jeff Leisk, Bob Hannah and Trevor Williams.

The unique design of Alpine Star's Victory Cross boots combine the suppleness of leather with the protection of plastic inserts. And Alpine Star off road boots are hand crafted for the finest quality — so they're good enough to be unconditionally guaranteed for 12 months.

Alpine Star. Now with more features and more models. But still the best motorcycle boot in the world.
