

CHARGE OF THE WHITE BRIGADE

KTM

Join the charge or stand back, because the current range of motorcycles from KTM maintain a race-winning tradition of excellence you'll find hard to beat. They offer clear horsepower and light weight advantages that the serious competition rider can't afford to ignore.

Motocross machines descended directly from KTM's World Championship winning bike, and ADR complianced GSXC machines which are virtually the same bikes in street clothing.

Select your ideal machine from the following list, and get your order in soon — the new KTMs are going fast!

MURRAY WATT

PHIL LOVETT

MIKE MILLS-THOM

ROB TWYEROLD
