Grass Track Racing for the Jack Walkden Trophy

ALLINGTON MANOR FARM,
FAIR OAK, EASTLEIGH, HANTS.

SUNDAY, 26th SEPTEMBER, 1976 2.00 p.m.

DRAW IN AID OF THE Robert Bennett Appeal Fund

In every 4,500 births one child is born with a major heart defect known as "Transposition of the great vessels that lead in and out of the heart". Without treatment half the infants die in the first month and less than 10% survive to the age of one year.

The above appeal is to raise £5,000 for an ABL I Radiometer, a machine which only requires 1/20th of the blood needed for analysis. The appeal was sparked off by the fact that a local lad Robert Bennett born with this defect was successfully operated on last year. He now can lead a normal life and join in all the games that he has watched from a wheelchair for the last eleven years.

So far the appeal has raised £1,000 but there is still a long way to go and we are very grateful for any assistance in raising the £4,000 we need to attain our target.

Today, Robert's father (No. 98) is competing on the track watched by young Robert himself—who knows? what will Robert be doing in 1980 when he is old enough to have a competition licence himself. Robert will be making the draw and the Winchester M.C.C. is delighted that he is able to do so and to be able to help this very worthy cause.

JACK WALKDEN TROPHY GRASS TRACK

Sunday, 26th September, 1976 2.00 p.m.

WINCHESTER MOTOR CYCLE CLUB

A.C.U. Permit No. U 565

Held under the GCR's of the ACU and Supplementary Club Regulations

TO THE RIDERS. Your attention is drawn to the serious consequences which could arise following an accident caused by unauthorised riding in the pits area, liability for any claim could rest with the owner of the machine being used (or the parents in the case of a minor). The number of laps for each race may be altered according to time or weather conditions.

Flag Signals
