

1976 Moto Guzzi 850T/3

An Extra Measure of Safety.

Moto Guzzi. Its reputation is well earned. Beauty, reliability, handling and lots of power for the open road. But now there's more!

With the introduction of the 850-T/3 for 1976, Moto Guzzi designers have engineered an exclusive triple-disc, patented integral braking system for an extra measure of safety.

Just apply the foot brake and the left front disc and the rear disc automatically actuate with a built-in balance feeding the proper proportion of pressure to bring you to a steady, even stop. Or, if you prefer, the handbrake can be used to apply the right front disc.

Add this unique feature to the smooth ride of Guzzi's maintenance-free shaft drive and dependable V-twin engine, now equipped with a replaceable, cartridge oil filter, special air filter and many other improvements. You've got an outstanding mount, ready for in-town maneuverability or highway cruising comfort.

Test ride the new Moto Guzzi 850 T/3 soon at your nearest authorized dealer and compare its long list of benefits. We think you'll agree that it offers the safety, design and super-smooth ride for devouring the miles in confidence... and style!
