

STRAP ON A TURBO.

THE ALL NEW TURBO "139".

WHAT'S NEW. An entirely new redesigned front molded protection plate that wraps around the side delivering more protection. In addition, AXO's exclusive Fibrelyte™ material has lowered overall weight for precise movement.

ALL THE RIGHT MOVES. A lower three buckle fastening system allows unlimited adjustment in the ankle pivot area for all types of riding.

THE WORKS. We've left nothing out! Anatomic molded inner sole, quick speed lacing, plastic protection on shifting toe, nylon inserts for added protection, and AXO's exclusive "moon-walk sole." The new Turbo 139 has got it all!

FOR WHAT IT'S WORTH. More protection, more comfort, and virtually no break-in required. Just a few more reasons to "strap on a turbo."

Available in red, blue, black and white. Adult sizes: 6-13. **\$139.00**
