INTRODUCING A NEW ERA IN MOTOCROSS BOOT DESIGN

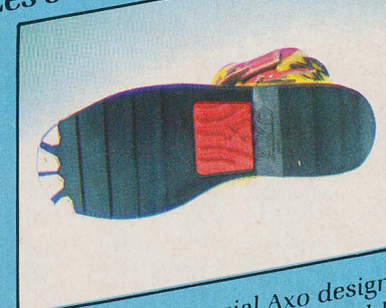

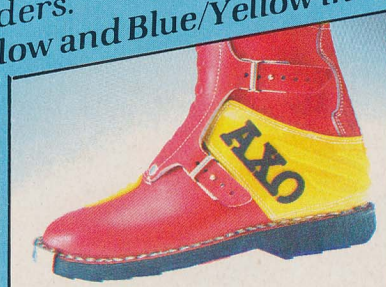

The All New Malherbe Boot from Axo of Italy. Its new technologically advanced design makes this boot the ultimate in comfort and protection. The Malherbe Boot is now being used by many top European Grand Prix riders.

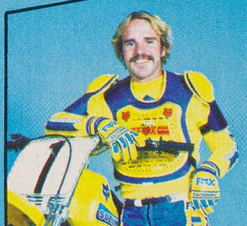

"Quick-Draw" Closure System: Inner lacing easily adjusts to a perfect fit and adds extra ankle support.

Plastic Protection: All leather boot with flexible plastic provided on shin, toe, heel and side of calf for extra protection and boot durability. New design offers velcro top closure and quick-release buckles.

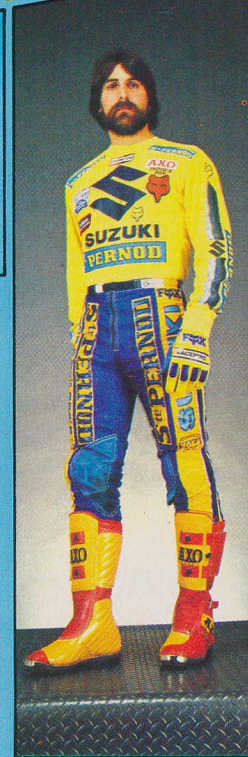

Unique Sole: Special Axo design gives excellent traction should you need to push your bike, red insert contacts footpeg for better grip and longer wear.
