

# Your kind of performance demands Dunlop... on two wheels or four.

You go for the inside line . . . you ride to win. You demand the best . . . from yourself . . . your bike . . . and your tires. And when you load it up and start for the next track, you want smooth rolling, road gripping Dunlop light truck radials . . . because Dunlop meets your demands on two wheels or four.

**DUNLOP**  
For the long run

Dunlop Tire and Rubber Corp., Buffalo, N.Y. 14240
