

TECNOSEL Seat Kits

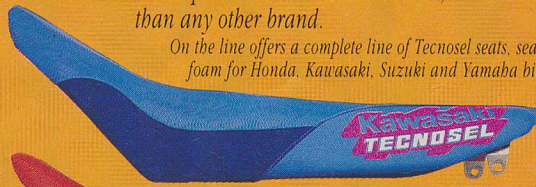

By combining the revolutionary Cobra anti-slip seat with Tecnosel foam, motocross riders achieve a feel that's simply unmatched. That's why more World Champions ride with Tecnosel seats, seat covers and foam than any other brand.

On the line offers a complete line of Tecnosel seats, seat covers and foam for Honda, Kawasaki, Suzuki and Yamaha bikes.

Gonzo Graphic Kits from TECNOSEL

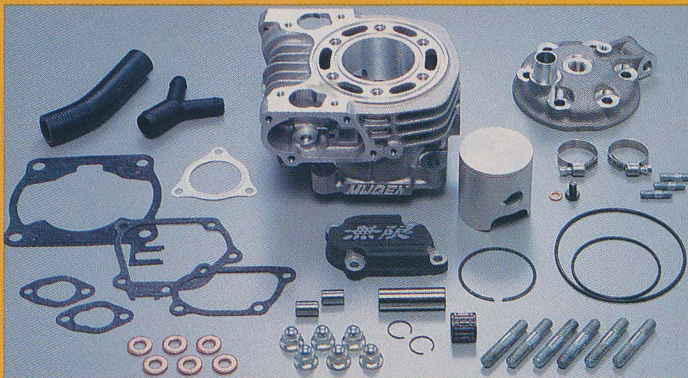

Turn the average bike into one that turns heads. Made from durable 24 mil thick vinyl, all of these graphics are printed from the inside to help retain the just-like-new look. Special glue developed by Tecnosel ensures long life. Available for fork guards, tank and radiator shrouds, as well as assorted sponsor decals.

On the line/ SplitFire ME 125 MUGEN

Our latest creation features a carbon fiber fuel tank, works Mugen cylinder kit and works Mugen suspension. With an On the line aluminium subframe, titanium bolt kit by Cliff Sheck and Tecnosel graphics, this 125 is a monster!

MUGEN The Mugen Works Power Up Kit features a nickel silicone carbide cylinder with port timing that is so radical, it can't be duplicated on a stock cylinder. Cooling fins are also added for improved durability. This kit offers a power increase that is absolutely insane! (For CR 125 only.)

On the line Racing is an authorized distributor of **TECNOSEL** Seats and Stickers, **MUGEN** Power and Suspension Kits, **SplitFire Spark Plugs**, custom titanium and aluminum fasteners, and aluminum subframes.
