

PUT ME INTO A DODGE STREET VAN

Hey, check out the high-back buckets.

Wow, a seat freak.

HOW TO CUSTOMIZE YOUR VAN

Want a van with a view? Make a port-hole or two.

Did you know Street Van spelled backwards is Teerts Nav?

Roger put me into a Street Van. And I'm not comin' out.

Fat Polyglas® tires, flashy chrome road wheels. Ve-ry hea-vy.

The New Dodge Street Van.

It's the first van that comes factory-customized.

Complete for the street with: Great-looking fat tires, flashy chrome wheels (or our new painted spoke wheels). Extra bright trim on the outside. High-back buckets with fold-down armrests. And as a treat for your feet, thick carpeting up front.

Plus, every Street Van comes complete with a Dodge Customizing Idea Kit. It's loaded up with trick paint designs for the outside. Full-size templates for the inside custom work. And much more.

When you put yourself into a Dodge Street Van, Dodge also puts you down for a one-year membership in the new Van Clan—a van association that gives you travel services, van theft protection, and more.

That's how Dodge starts you out. How your Street Van ends up is up to you.
