

AT A TIME LIKE THIS, YOU CAN'T AFFORD LESS THAN THE BEST.

And for enduro, desert and trail riders, the best is Scott's revolutionary plastic motorcycle boots.

You don't have to be Bob Hannah to need the extra support, protection and confidence that Scott boots provide. Everyone likes to get on the gas and test their abilities when they ride. And Scott boots are for everyone. For powersliding fireroads, blasting over rock beds or flying down twisty, stump- and root-infested trails.

Scott boots are tough. They're long-lasting, rebuildable and they work! And the patented *Scott floating-hinge* system gives you easy forward and backward movement as well as lateral ankle rotation.

Put your feet in the best, Scott boots, and feel that new level of support, protection and confidence. You'll discover why **Winners Wear Scott!**
