Protect your right to ride: Always wear protective riding gear, operate a properly muffled machine, and avoid sensitive wilderness areas. With the freedom afforded by off-road riding comes a responsibility to protect the environment. Keep off-road motorcycling a positive and safe recreational pursuit.

A large, detailed close-up photograph of the front fender of a KTM 300 motorcycle. The fender is white with green and red accents. The KTM logo is prominently displayed in green and red, with the number "300" in large green letters below it. The background shows the motorcycle's engine and other components, all set against a backdrop of lush green foliage.
