Win

YAMAHA'S DT 175 MX

Rules

All you have to do is study the list of ten features and place them on the coupon in what you think is their order of importance. If, for instance, you think that point F is most important, put F opposite number 1 in the first column. Complete each column in this manner, until you have completed the numbers of columns your stake allows. Entries can only be accepted on the printed coupon, but there is no limit to the number of coupons you can enter. The winner will be the competitor who, in the editor's opinion, has submitted the most correct entry. In the event of a tie, the first correct coupon opened will be the winner. Fill in your name and address on each coupon (in block letters) and send your entries to: Suzuki Competition, Motor Cycle Mechanics, Park House, 117 Park Road, Peterborough PE1 2TS. Entries must arrive by September 22, and the result will be published in our November issue. Payments by cheque or postal order only, postage stamps are not acceptable. All cheques and postal orders should be made payable to Motor Cycle Mechanics and crossed.

Employees of E.M.A.P. and their relatives are not eligible to enter this competition.
