

# Get smart

## Smart Bike.

There aren't too many 250s that look as good as this. And in this case, smartness goes a lot further than just skin deep.

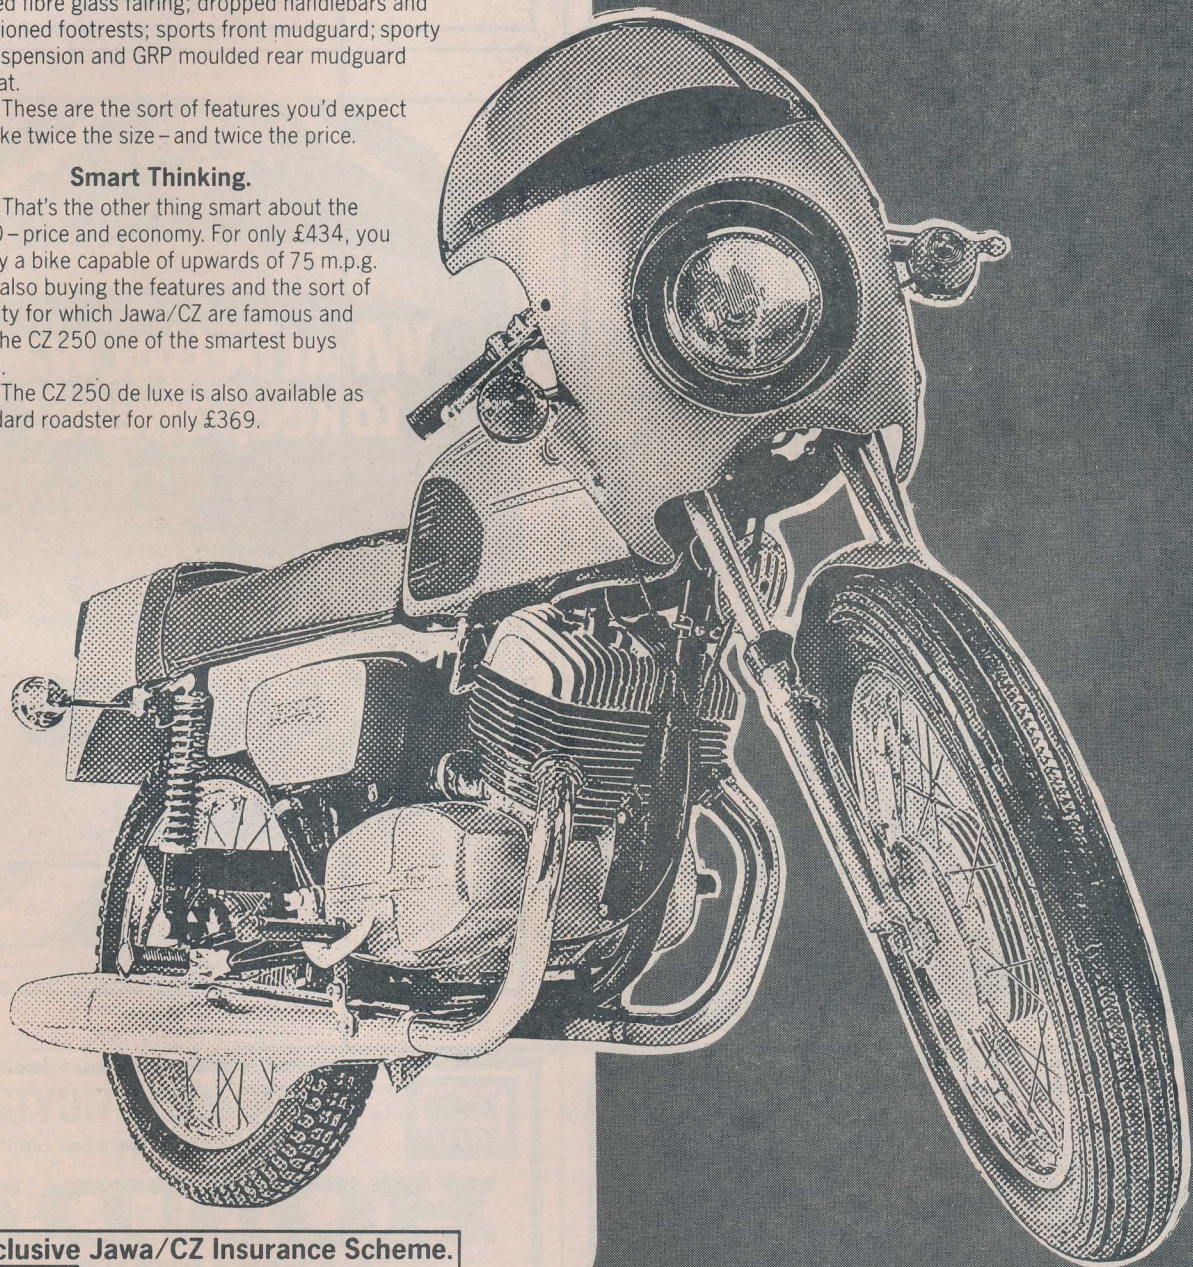

The CZ 250 is customised as follows: a colour matched fibre glass fairing; dropped handlebars and repositioned footrests; sports front mudguard; sporty rear suspension and GRP moulded rear mudguard and seat.

These are the sort of features you'd expect on a bike twice the size – and twice the price.

## Smart Thinking.

That's the other thing smart about the CZ 250 – price and economy. For only £434, you can buy a bike capable of upwards of 75 m.p.g. You're also buying the features and the sort of reliability for which Jawa/CZ are famous and make the CZ 250 one of the smartest buys around.

The CZ 250 de luxe is also available as a standard roadster for only £369.

### Exclusive Jawa/CZ Insurance Scheme.
