MDS

Names like Gucci, Cellini and Ferrari are synonymous with trend setting, high quality Italian craftsmanship. M.D.S. follows in this tradition and reflects the quality workmanship and style that has given so many Italian products such a distinctive reputation. M.D.S. helmets naturally have the style and colour selection you'd expect from an Italian helmet. Blend with this the practical function of high technology fibreglass construction which surpasses the world's most stringent standards and an enviable reputation that has resulted from a decade of the highest quality of manufacturing. That's M.D.S. — the total safety helmet of the '80s.

FEATURES: 6 position recessed visor fibreglass construction large colour selection 2 year warranty
