**FRENCH POWDERS FOR
HUNTING AND SHOOTING**

With the Compliments of
Gamebore

CARTRIDGE COMPANY

Range of
american and french powders
in the decreasing order
of their burning quicknesses

Powders for pistol
and revolver ammunition

The loads recommended in this table are suitable for all normal guns but considering the large varieties of elements utilized (e.g. bore, chamber, head space dimensions, loading conditions) which can consequently affect velocities and pressures, we cannot accept responsibility in the results obtained.
