WARNING:

MOTOR SPORT CAN BE DANGEROUS

Motorsport can be dangerous. Despite the organisers taking all reasonable precautions, unavoidable accidents can happen. Please comply with all instructions of marshals and notices and remain in permitted areas only. **They are concerned for your safety!**

WELCOME

Hello and welcome to the 2014 Farleigh Castle VMXdN. Headlining the event this year is multi AMA and MXdN winner, the all American legend Johnny O Mara. Johnny needs no introduction, but for our younger spectators, Johnny O invented the word "style". Alongside Johnny all the way from his Californian home is "the Man" Belgian legend Roger de Coster Roger's last visit to Farleigh was 35 years ago on the factory Suzuki team. This year, as head of racing for KTM North America, Roger will ride the M D Racing legends laps alongside the greats of the past. Have a great weekend racing and stay safe.

Dave King

YORKSHIRE VMX

Dave King has already given an introduction to the event so I have no intentions of duplicating his remarks.

As Clerk of the Course, my duty is to try and provide an enjoyable course which stands up to a full weekends racing in as safe an environment as possible. Whilst Johnny and Dave basically control the "off track" activities it still falls under my remit to ensure you all have a safe weekend on site

Going back to the track, I have to be fair and consistent to all Teams and Riders and I pride myself on achieving this reasonably well in the past. With this in mind, for the first time this year we have had to introduce the rule that no rider will be allowed to groom his start gate. This is because the start at Farleigh Castle is in the middle of the circuit which means a live track has to be crossed and we cannot take the risk of 60 potential riders crossing during a session. Penalties will be issued for riders who do not heed this final instruction. Also on the subject of safety, there is a work / signalling area provided purely for mechanics with the appropriate coloured wristband for the session taking place and whilst we will allow signalling from other areas they must be public ones. Please remember that each rider is responsible for your own entourage and you need to ensure they follow these instructions.

Finally, we hope you enjoy your weekend with us and don't forget the Bee Sting cider is very strong!!!
